Overview

I'm a designer and problem-solver who communicates effectively and collaborates well with others to optimize user experience.

Experience

RACY SIDES / User Experience Designer + Web Developer
DECEMBER 2012 - PRESENT :: NEW JERSEY

As a freelancer, I design and build web sites for various clients. I make people proud of their homes on the web.

DMW&H / Web + Software Developer
JANUARY 2014 - APRIL 2017 :: NEW JERSEY

Designed, tested, installed, and supported web and native software applications, as well as utilities and data visualization reports. I also developed training materials and conducted user training for distribution center personnel across the United States.

THE PERSPECTIVE / Managing Editor, Designer + Tech Lead
SEPTEMBER 2009 - MAY 2011 :: NEW JERSEY

Co-founded, edited, designed, and distributed a print and online news magazine.
